23 January 2015

Dear Parents and Friends of the College,

I am sure that you are aware that the College provides a Canteen for the students so that we can meet their needs regarding sustenance at recess and lunchtimes.

Mrs Lyn Bristow, the Canteen Manager does a wonderful job in meeting the needs of our young men. In order to keep up the standard, she needs the support of parents and friends to help with the serving of the students at recess and lunch time.

We have been very fortunate with parents and friends helping to meet this need as they have provided a wonderful service to the students over the years. At the end of last year, the College lost thirteen Year 12 mothers from the roster and as a result, there are now days where Mrs Bristow has no one to support her in providing this necessary service to the students.

I would ask members of our community if they could make themselves available at least once a month to help fill the short fall. If you think you can help, could you contact my assistant, Mrs Romeo on 4629 4130 or email her at daniela.romeo@stgregs.nsw.edu.au.

Best wishes,

Damien Millar
Headmaster
