9 October 2013

Welcome back to Term 4,

Over the holidays the students were encouraged to complete their Community Service Project.

This week during homeroom the boys will be required to hand in their completed log card (and journal if they wish to be considered for a medallion).

The final cut off for submission is Friday 18th October.

No log cards or journals will be accepted after this time - this cut-off date allows us time to thoroughly read through the cards and collate information to help in awarding the medallions.

I would like to say thank you to all those people who have provided feedback and also for your support of this worthy initiative.

Those boys currently in year 10 will be required to undertake the project again next year with a greater focus on Local Community.

The Year 11 students have completed the project over the past two years and, hopefully, have gained a sense of social justice and an insight into how in serving others we are serving a greater purpose.

Thanks again for your support.

Debra Monte
