6 February 2014

Year 11 2014 Information Evening

Dear Parents and Carers of Year 11 students,

Welcome to the beginning of the Preliminary HSC for 2014.

As indicated on the College calendar, a Preliminary HSC Information evening will be held at the College next **Monday evening February 10**. At the time of printing the calendar, we had planned two sessions as the College Hall was due to be under construction. As we still have access to the Hall, the evening will be held in one session, **commencing at 7.30 pm in the Brother Luke Hall**. Mr Millar will speak to parents and students regarding his expectation of the boys as they move into the senior school. Mrs Keegan will outline details of Preliminary HSC assessment procedures and the Preliminary HSC Assessment handbook will be issued. Mr Newell will discuss the pastoral focus for the year.

An assessment handbook and assessment calendar outlining dates for all Preliminary assessment tasks will also be handed out on the evening.

Copies of the assessment calendar will also be available on the College website.

A copy of the Assessment handbook and the calendar will be emailed to all boarding families.

All parents and students are expected at attend this evening. Students are required to **wear full summer uniform**. Students should also ensure that they make alternative arrangements for work and training so that they are available to attend.

Sincerely,

Mr Pat Newell
Year 11 Coordinator
