Dear Members of the St Gregory’s Family,

This year is a very special milestone in the life of St Gregory’s College as we celebrate ninety years of Marist Education.

I am sure that St Marcellin would be extremely pleased with the marvellous contribution from the Marist Brothers and those who have worked with them educating boys from Macarthur region and the bush and developing fine young men who have graduated from the College with strong minds and gentle hearts.

To mark the significant contribution by Marist educators, it is planned to hold various events throughout the year:

- The weekend of the 27 May will be when the College will hold the St Gregory’s College Art Show, with featured Artist, Danielle Sullivan of DJ Mate. The Opening Cocktail Party being held on Friday the 27 May in the Brother Luke Hall. The Art Show will be open until Sunday 29 May.

- The College will also be holding the Blue and Maroon Ball for parents and friends of the College both past and present on Saturday 28 May in the Brother Luke Hall.

- The 90th Anniversary Mass will be held in the Brother Luke Hall on Friday 2 September. This mass is also the St Gregory’s Mass when we announce our new College Student Leadership Team.

- The Opening and Blessing of the new College Dining Room will also take place after the Mass.

- The 90th Anniversary Dinner will be held at the Campbelltown Catholic Club at 6.30pm on Friday 2 September

For further details, I would ask you to look at the College website.

I hope that many of our community, past, present and future will be able to join us as we remember the last ninety years and discuss our dreams and hopes for the future.

Best wishes,

Damien Millar
Headmaster
