Year 11 2017 Information Evening

Dear Parents and Carers of Year 11 students,

Welcome to the beginning of the Preliminary HSC for 2017.

As indicated on the College calendar, a Preliminary HSC Information Evening will be held at the College on Monday evening 6 February, commencing at 7.30pm in the Brother Luke Hall.

Mr Millar will speak to parents and students regarding the College's expectation of the boys as they move into the senior school. Mrs Keegan will outline details of Preliminary HSC assessment procedures and the Preliminary HSC. Mrs Coupland will discuss the pastoral focus for the year.

An Assessment Handbook and Assessment Calendar outlining dates for all Preliminary assessment tasks will be available on Skyblue after the session.

Copies of both the Assessment Calendar and the Assessment Handbook will also be available on the College website.

All Year 11 students and their parents are expected to attend this evening. Students should ensure that they make alternative arrangements for work and training so that they are available to attend. Students are to wear full summer uniform. The evening will be live-streamed for Boarding families.

Yours sincerely,

Ms Jane Coupland
