

FROM THE HEADMASTER

14 July 2017

Dear Members of the St Gregory's Family,

Welcome back to Term 3. I hope it has been a rewarding and relaxing break for everyone and that our young men return with renewed energy to face the challenges that term 3 presents.

Thank you to Mr Brennan and the staff for the work that occurred in my absence and for the many staff who were willing to cover other positions in order to ensure that the good work of the College continued. A lot happened in Term 2 with the successful musical, various sporting finals taking place and Debating to name few occurrences. Many thanks to all (staff, parents and students) for their continued dedication to making a difference in the lives of our young men.

I am sure that you would be aware by now that Mr Brennan has been seconded to Parramatta Marist High School for the rest of the year with the intention of returning to the College in 2018. Due to this change and Mrs Bunce taking leave for the rest of the year, Mr Ryan (PDHPE/Science), Mr Albery (Science/PDHPE) and Mrs Julie-Anne McGovern (HSIE) will take over a number of classes until the end of 2017. Mrs Sawyer will return to her classes in week 2 of the term after being on Maternity Leave.

The College Athletic Carnival will take place next Tuesday, 18 July here at the College, weather permitting. It is an important day in the life of the College and there is an expectation that all students would be present and make an effort to be involved. I am sure that Mr O'Brien will issue further details next Monday.

The Gregory Hills Drive (the new road) edges along towards completion, I would remind drivers to be aware of heavy trucks crossing at the top and bottom of the hill and the state of the road is not what it used to be therefore I would ask people to be aware of speed.

There will be many events taking place once again this term and I will look forward to seeing parents throughout the term.

Yours sincerely,

Damien Millar
