Letter to Parents re. Interschools Snowsports Championships

In 2019, St Gregory's will be providing students with an opportunity to travel to Perisher to compete in the NSW Interschools Snowsports Championships.

The competition is for accomplished skiers and snowboarders and is not suitable for those who are inexperienced or beginner athletes. **It is also important to note** that St Gregory's will not be booking accommodation or offering supervision of students during any Snowsports Championships in 2019. It is the responsibility of individual students and their families to organise accommodation and travel to and from the Championships. The College will assist in the registration of competitors and facilitate in any information sharing that may be required prior to competition.

Mr Luke Wilson is now the College's Snowsports School Coordinator. Mr Wilson will enter all students willing to participate in the Championships. To register, please pass on the following details for each participant:

- Full Name
- Date of Birth
- Email Address
- Year at school
- All the disciplines they wish to enter; e.g. Alpine and Skiercross

Individual entries will open in May 2019. Please continue to check the website for updated information - <https://nswinterschools.com.au/online-entry>

The first stage of the competition will occur on Tuesday the 9th July – Saturday 13th July 2019. If successful at this stage students may continue to compete in the Australian Interschools Snowsports Championships held at Mt Buller on the 4th- 8th September.

St Gregory's will be competing in the Northern NSW Schools and Queensland Championships.
