

CAREER'S NEWS -MARCH, 2019

Qantas Group Pilot Academy

We train our pilots to the highest standards and we can draw on almost 100 years of aviation experience. We want to help shape the next generation of pilots and that's why we're establishing the Qantas Group Pilot Academy. It will open its doors in 2019 with an initial intake of 100 pilots, and once it's fully established we aim to train up to 500 pilots a year.

We expect the typical entrants to be high school or university graduates with a strong academic performance. After 18 months of classroom, simulator and real world flight training you'll graduate. The training could lead to employment with one of the Qantas Group airlines, including Jetstar.
