30 March 2020

Dear Parents/Carers,

St Gregory's College Senior School has made the transition to online reporting this year. This will directly affect how you access your son's Progress Report.

Parents, carers and students will be able to access School Reports through Sentral. This will enable you to access reports more quickly and efficiently. It will also mean that students have digital access to their reports if they wish to store or send them to prospective employers digitally. This change also brings the College into line with NESA and other schools in reporting practices.

Progress Reports will be accessible from **Thursday 9 April, 2020**. Before this date, it is recommended you:

- access the Sentral Parent Portal before the reports become available in order to confirm that you are able to log in (<https://sentral.stgregs.nsw.edu.au/portal2/#!/login>)
- if your code does not work, contact Mrs Kate Stott via phone or email so that your access code can be resent

Thank you for your continued support. If you have any questions of a general nature about reporting, please contact me.

Yours faithfully,

Ric Bombardiere
