Dear Parents and TVET Students

TVET Courses for 2017 - Update

Please find the details of your acceptance into a TVET Course for 2017. In most cases, your course is a 120-hour course that will be held once a week in Terms 1, 2 and 3.

Most courses will begin the week commencing 20 February 2017.

The following courses will have a compulsory week of Work Experience as part of the course. Community Services, Automotive, CAD, Electro Technology.

Most courses will also have compulsory attendance of between 1 to 4 days in the first week of the June/July school holidays (26th June to 30th June).

IMPORTANT: all students, except Boarders, will have to make their own arrangements to formally enrol at the TAFE College where they will be attending the week prior to courses commencing on one of the following days:

- Wednesday 15 February – 3pm to 7pm
- Thursday 16 February – 2pm to 7pm
- Friday 17 February – 8.30 am to 12 noon

This enrolment process will take approximately 30 minutes. Students will be issued with a TAFE Student Identification Card. There is no cost involved for enrolment. Student ID should be taken to this meeting.

The school will arrange to transport students to their TAFE Course, but all students (except Boarders) will need to find their own way home, after class.

Please notify Mrs Dein immediately if any student is Anaphylactic or has any other medical condition that needs to be noted, as a separate Health Care Plan will be required.
