16 July 2014

Dear Parents and Carers of Years 9, 10, 11 and 12 Students,

Each year we hold a Careers Forum after school to provide an opportunity for students and their parents to meet with representatives from a wide range of organisations and professions to discuss and ask questions regarding career pathways and plans.

This year the Careers Forum will be held on Wednesday 23 July 2014 at 3.05 pm to 4.30 pm in the Donovan Centre.

Representatives from most Universities, TAFE, Private Colleges, Apprenticeship and Traineeship Group Training Companies, Police and the Defence Force will be present.

It would be expected that all senior students will attend, but I strongly recommend that students in Year 9 and 10 would also avail themselves of this opportunity on College grounds.

Mrs Catherine Keegan, Director of Teaching and Learning will also be present and will be conducting a talk in Room 403 (near the Donovan Centre) from 4.00 pm to 4.30 pm in regard to the ATAR (needed for entry into University), how it is determined, scaling, who is eligible etc. Each year the volume of choices and the processes of applications grow and it is vital that students and parents have access to correct and accurate information. We need to show the presenters that we appreciate their time and effort they have made to attend.

If you have any questions, please feel free to contact me at the College.

Yours sincerely,

Sue Dein
Careers Advisor
