15 July 2013

Dear Members of the St Gregory’s Family,

Welcome to Term 3! I hope that it has been a restful break and that the boys have returned reinvigorated for the term ahead.

I would like to thank Mr Kennaugh, Mr Brennan and Mr Spencer who have all taken on additional responsibilities in my absence. I would like to thank them for their commitment and energy in guiding the College over the last ten weeks.

It was very pleasing to return and see the completed Music facilities and the Dressing Sheds. Hopefully, with these new and or updated facilities it will spur the boys onto greater heights. The new lockers for Year 7 have also been put in place over the holidays which I am sure the Year 7 students will appreciate as the old lockers were over twenty years old and had to stand all sorts of weather conditions during that period. It was time for the old lockers!

I would like to remind parents about the Drugs and Alcohol talk which takes place tonight and will be led by Mr Paul Dillon who is a renowned expert in this area. We have been very fortunate to obtain the services of this gentleman for the day and evening. This is an important topic and one that parents ask me about regularly and I hope that it will be well supported. The talk will take place in the Donovan Centre at 7.30pm.

It will be another exciting term with many events taking place. From a Year 12 point of view, they are now in their last term at the College with their Trial exams coming up shortly and then the Graduation Day at the end of the term. I am sure that we will all be keeping these young men and their families in our thoughts and prayers as they head towards the finish line for the HSC.

I will look forward to working and meeting with you over the next term.

Best wishes,

Damien Millar
Headmaster
