## MCS GOLF

Golf Report – By Mr Luke McGinnity

Date: 24<sup>th</sup> August 2017

*Today John Dinnen and myself accompanied 18 boys to the Glenmore Heritage Valley Golf Club for the annual MCS Golf Championship Day. It was a beautiful day for golf and there was some tough competition from a number of MCS schools including the defending champions from St Dominic's College Penrith. We took with us a number of talented golfers and some boys who lacked experience but were willing to fill in places where the team needed players.*

*I am pleased to report that at the end of the day St Gregory's College were announced as the winners of the junior aggregate shield and the overall MCS Champions for 2017! The boys were a credit to the College in the spirit with which they played the game and whilst we did not have a large number of individual age champions we did really well in the team events which was pleasing to see.*

*Shelby Malone U/12 Runner Up*

*Bill Buckley U/14 Age Champion with a score of 79. (+9 through 18 holes)*

## Internal Sport

United Taekwondo celebrates 6 years of partnership with St Gregory's College. Two of our senior boys have progressed all the way to receiving their black belts with instructor, Master Paul Mitchell. A number of younger students have taken up the activity and last week became the proud owners of broken wooden planks due to their newfound skills.
