

St Gregory's College Campbelltown

Senior School Boarding Enrolment Process (Year 7 – 12)

Step 1 – Take a tour of the College

At St Gregory's College, we say that everyday is Open Day for our prospective boarding families. We understand that geographical distance can make it difficult to make trips on set dates, and to assist you with this, we endeavour to cater to your availability for a College tour. Our tours are carried out by our Director of Boarding and/or our College Principal and usually take one and a half to two hours. To organise this, please email the Enrolments Registrar (K-12) registrar@stgregs.nsw.edu.au

Step 2 – Submit an online application

Complete the online enrolment application via the following link: <https://enrol7-12.stgregs.nsw.edu.au/student/enrolment>

Step 3 – Application Closing Dates

Applications for boarding students are taken throughout the year. We do however like to have all of our enrolments settled in November for the following year. This provides us with time for any additional preparations needed to welcome our boarding students into our care.

Step 4 – Application Review/Interview Stage

Once our Enrolments Registrar receives an application for a boarding student, the application is reviewed by the College Principal and the Director of Boarding. Interviews can be conducted onsite or via Microsoft Teams online.

Step 5 – Letter of Offer

If the College Principal is satisfied with the application and interview, a Letter of Offer will be emailed to parents along with other documentation required to complete the application.

Step 6 – Acceptance of Offer at St Gregory's College

The boarding student's place is secured when the Letter of Offer is accepted and the non-refundable enrolment fee of \$500 paid.

Step 7 – Commencement at St Gregory's College

Your son will begin his journey at St Gregory's College with everything he needs to ensure that it is a smooth transition.
